

## On the Subject of Bad Wording

*This module is yes because defuse are will happen*

- This module consists of nine colored words that form a very broken sentence. To defuse the module, select the correct word.
- Each word of the sentence will be assigned a value. Multiply the value of each word in the sentence with the value of the color it is shown in.
- Take the digital root of the sum of all nine of the word values and call it N.
- Press the Nth word of the sentence to solve the module.
